DEVOTION PRAYER

By Minister James White

The Objectives of the Laymen

To cultivate in men a deeper understanding of the Christian walk-through study, worship fellowship, and workshops.

Through various outreach activities, we will strive to reach out to unsaved men in our respective congregations and communities.

We will introduce them to Christ and help them understand the importance of giving their lives to Christ or renewing their fellowship with a church in their community.

To cooperate with our respective Pastors, the Ohio Laymen Fellowship officers pledge to stimulate the work of the Church which is the body of Christ.

To serve in various community organizations to help make an impact on our communities.
